

REGULATION ON AREAS OF RESPONSIBILITY OF ATC POSITIONS IN IVAO XR MCD

- 1.** The present regulation establishes the Areas of Responsibility (later called AOR's) of some particular ATC positions, and does not affect the AOR's of any other ATC positions. The regulation is mandatory to be complied with for any parties concerned (IVAO pilots and ATCs).
- 2.** The AOR's published here do not amend the general functions of the ATC positions in concern, as well as the effects any other applicable regulations.
- 3.** The AOR's established by the present regulation are described in Annex #1.
